Texas Requires Voters to Show Photo ID

Texas now requires voters to show an acceptable photo ID at the polls. The only acceptable photo IDs are:

Texas Department of Public Safety (DPS) issued photo IDs

- Driver's license
- Personal identification card
- Concealed handgun license
- Election Identification Certificate

United States government issued photo IDs

- Passport
- Military identification card
- Citizenship certificate or naturalization certificate with photograph

Only the above photo IDs can be accepted at the polls. Other photo IDs including student IDs and employer IDs cannot be accepted.

- ✓ The Photo ID needs to be *current or have expired no more than 60 days* before voting (citizenship and naturalization certificates have no expiration date).
- ✓ The *name on the photo ID should match* the voter registration card. If names don't match, a voter may be accepted if names are "substantially similar." *Addresses need not match.*
- ✓ Voters with a *documented disability* from Social Security or Veterans Affairs can apply for a voter registration certificate exempting them from the photo ID requirement.

Photo ID (continued)

- ✓ Voters without acceptable ID can obtain an *Election Identification Certificate (EIC)* from Texas DPS at no cost by providing proof of citizenship and identity, and either registering to vote at DPS or showing a voter registration card. Requirements for the EIC can be found at <http://www.txdps.state.tx.us/DriverLicense/electionID.htm>. There is no charge for the EIC but the necessary documentation may have a cost.
- ✓ *Photo ID is not required to vote by mail.* Voters may apply for a mail ballot if 65 or older, ill or disabled, or absent from their county during early voting and on Election Day.
- ✓ Voters who do not show an acceptable ID at the polls can vote a *provisional ballot* and have six days to show the required photo ID.

- ✓ Those who lack a photo ID because of a religious objection to being photographed or because of a natural disaster declared by the president will be allowed to vote a provisional ballot and complete an affidavit within six days of the election.

Qualifications for Voting

To vote, you must be a U.S. citizen, registered to vote, a resident of the county, and at least 18 years old on Election Day. You must not have been declared mentally incapacitated by a court of law. If you have been convicted of a felony, you may register to vote only after you have completed the punishment phase of your conviction, including any terms of incarceration, parole, supervision, or period of probation ordered by the court.
