## About this Voters Guide

This Voters Guide is published by the League of Women Voters of Collin County to help citizens prepare to cast an informed vote. The League of Women Voters encourages informed and active participation in government. The League does not support or oppose any political party or candidate.

This guide is available online at [www.lwvcollin.org](http://www.lwvcollin.org), along with guides for other offices that include all or part of Collin County. Candidate responses for all races are also available at [www.VOTE411.org](http://www.VOTE411.org), where you can enter an address and view a personalized ballot with races specific to that address.

Questionnaires were sent to all candidates for each office, whether or not the race is contested. Candidate replies were subject to a character limit and are printed without editing or verification. If a candidate did not respond by the deadline, "No response received" is printed. Candidates were asked to avoid references to their opponents. Photos are included for candidates who provided them.

This Voters Guide is organized by office sought, with candidates listed in alphabetical order, regardless of their political party.

League of Women Voters is a Nonpartisan Organization

The LWV never supports or opposes candidates for office or political parties, and any use of the League of Women Voters name in campaign advertising or literature has not been authorized by the League.
